Basic Information

Nature of Business	Exporter and OEM Manufacturer
Industry	Distributor, Exporter, Wholesaler, Retailer, Buyer-Company, Manufacturer, Trader, Importer.
Firm Owner	Mr. Rajat Arora/Mr. Bhushan Arora
No. of machines	10 Compression Moulding 2 Injection Moulding 2 Mixing Mills 4 Cutting Machines
Machinery Make	Desma/Rubmach
Legal Status of Firm	Partnership
Year of Establishment	1988
Location Type	URBAN
Building Infrastructure	Permanent
Size of Premises	500 square meters
Key Customers	<ul style="list-style-type: none">· Home Appliances· Railway, Defence, Aircrafts· Whiteline Goods Mfrs· Power Stations And Automobiles

Fact Sheet

Why Us?

We are able to fabricate a wide range of rubber seals, rings and other rubber products in most precise and perfect manner. This has helped us to maintain a strong client base in Gulf countries and various other nations. Some of the other reasons for our success are as follows:

High quality standard products.

Complete in house testing facilities, rubber compounding and well equipped tool room.

Latest technology based machines for development & production.

Comprehensive range of products for automotive and non-automotive industries.

Prompt delivery schedules.

We are an OEM supplier of Home Appliances rubber parts (Bushes,Gaskets,O rings,Feet parts) and Automobile rubber parts (like Mountings, Suspension Bushes, Dampers, Transmission Parts, Internal & External Cabin Parts), Machine Vibration Isolators, Rubber Parts for Agricultural Sector, Gaskets, O rings , Seals, Bellows, Hoses and Elastomer Springs.

Rubber Molding Processes We Offer:

- Custom Rubber Molding
- Cryogenic Deflashing
- Engineering and Design Support
- Rubber Compound Development
- Rubber Compression Molding
- Rubber Injection Molding

Catering Major OEM Clients

Crompton

Custom Industrial Rubber Parts for Any Application

Across many markets and industries, many companies rely on us to provide quality industrial rubber parts to support their success. We make it a priority to educate ourselves on your business so that we can provide the right solution the first time.

Customers across a wide array of markets and industries have confidence in our industry experience and expertise. With our diverse network of industry contacts and subject matter experts, we are able to meet and exceed your needs on time, every time.

Here are some of the markets and industries we operate in:

- Home Appliances
- Electrical Industry
- Automotive
- Agriculture
- Lawn and Garden
- Material Handling and Distribution
- Medicine
- Transportation
